

**Now is the moment
to focus on your
cyber resilience →**

COHESITY

**When you shift to
AI-powered data security,
challenges become
opportunities.**

**YOU'LL
GAIN SCALE**

&

**STRENGTHEN
RESILIENCE**

YOU CAN:

- ✓ Protect all data with global governance
- ✓ Be sure your backups are recoverable
- ✓ Detect and investigate threats
- ✓ Prepare, practice, and recover from incidents
- ✓ Reduce risk from data theft

A glowing blue globe with a network overlay of dots and lines, set against a dark background. The globe is the central focus, with the network lines extending across the entire frame.
