

The background is a solid red color. It features several abstract geometric elements: a large, semi-transparent red circle in the center; a smaller, solid red square above it; a larger, semi-transparent red rectangle to the left of the circle; and a solid red square below the circle. There are also faint, repeating geometric patterns in the corners: a grid of small squares in the top-left and bottom-left, and a grid of small dots in the top-right and bottom-right.

5 Signs You Need to Upgrade Your Workforce IAM

The background features a light gray grid pattern. Overlaid on this are several semi-transparent geometric shapes: a large gray trapezoid on the left, a gray rectangle at the top center, a gray rectangle at the top right, and a gray rectangle at the bottom left. The text is centered over these elements.

Increased **Workforce Identity Attacks**

The background features a large, light gray number '2' on the left side. To the right of the '2', there is a grid of small gray squares. Below the grid, there is a pattern of thin gray lines forming a diamond or triangular mesh. At the bottom left, there are several overlapping gray rectangles of different sizes and shades.

Struggles with **Third-Party Access Control**

The background features a light gray grid of small squares in the upper right corner and a larger, faint grid of larger squares in the lower right corner. A large, light gray, semi-transparent shape resembling a stylized 'S' or a large bracket is positioned behind the text. The text is centered and reads:

Identity Silos
are creating
Inefficiencies

Inconsistent **User Access Governance**

The background features a light gray grid of small squares in the top right corner and a larger, fainter grid of larger squares in the bottom left corner. A large, light gray, semi-transparent shape resembling a stylized 'S' or a large letter 'C' is positioned behind the text. The word 'Overburdened' is written in a black, sans-serif font.
