

Create and manage powerful AI-powered portals with Box Hubs API

A screenshot of the Box Hubs interface. On the left is a blue sidebar with the 'box' logo and navigation links: All Files, Recents, Synced, Hubs (selected), Canvas, Notes, Sign, Relay, Apps, Trash, My Collections, Favorites, Project Files, and Screenshots. The main area shows a 'Hubs' gallery with tabs for 'All', 'View Access', 'Edit Access', and a 'New Hub' button. A 'Sales Enablement' hub is highlighted, showing a search bar, a description, and a list of files. A black overlay with a white atom icon and the text 'Ask me anything about this Hub' is positioned over the hub. A black overlay with a white padlock icon and the text 'Content securely added' is positioned over the bottom left. A black overlay with a white paper plane icon and the text 'Hub saved and published' is positioned over the bottom right. The bottom of the screen shows three file thumbnails: 'Sales at Acme', 'Corporate Pitch', and 'Sales Training'.

Automate enterprise content curation with the new Box Hubs Items API

A screenshot of the Box Hubs interface. On the left, a sidebar shows four hubs: IT Support, Sales Enablement, Product Team, and Brand Resources. The main area displays the 'Human Resources' hub, which includes a header with a 'Save & Publish' button, a 'Hub Outline' sidebar, and a main content area with a search bar and a list of items. The items are categorized into 'HR Policies' and 'Benefits'.
