2.

It helps bridge external and internal communications.

Did you know?

With Zoom Team Chat, you can securely collaborate with external contacts in the same space while admins control access and visibility?

3.

It helps consolidate your apps so that you can cut costs while simplifying workflows.

Did you know?

Zoom Team Chat comes included with your Zoom Workplace license which eliminates standalone chat tools, reducing total cost of ownership.

- ✓ Integrate everyday business apps
- ✓ Automate workflows with no-code tools
- ✓ Build custom solutions

Sarah 10:02 AM

Morning team! Quick reminder—the client review call is at 2 PM today.

Ravi 10:03 AM

Thanks for the heads-up, Sarah. I just finished the draft slides and will share them shortly.

Grace 10:03 AM

Great, Ravi. I'll review the numbers once you send them and make sure everything aligns with the latest data.

4.

It helps your team stay in flow.

Zoom Team Chat = centralized space where you and your team can start conversations, take action, and stay connected—all in one place.
