

# Innovation in Uncertainty

Build organizational agility with  
clarity – Planview's approach to  
thriving in volatile times.

# When Uncertainty Reigns, **Adaptability Wins**

## **KEY INSIGHTS:**

- Recession risk nearly doubled – from 25% in February to 47% in early April
- Leaders fear planning silos, poor resource visibility, and misaligned portfolios during volatility

**Track where  
money is going.**

**Break down silos.**

# Their Challenges.

## Your Opportunity.

We need to **get out of our planning and funding silos** – to consolidate and standardize on a platform.

We need **visibility across the business** – an enterprise transformation, not just a department transformation.

We have to be **outcome-driven**, mixing in products with our projects.

# Adapt Fast. Stay Aligned.

## FEATURES OVERVIEW:

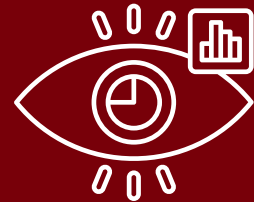

### **Scenario Modeling & Comparison**

Evaluate  
trade-offs and  
plan confidently

### **Resource Capacity Planning**
