

Smarter, faster, and sleeker:

AKA the ManageEngine Insights app

Here's everything that's new and bold.

| **Tap the mic →
Speak → Done**

**Use your voice to find articles,
videos, or podcasts—hands-free.**

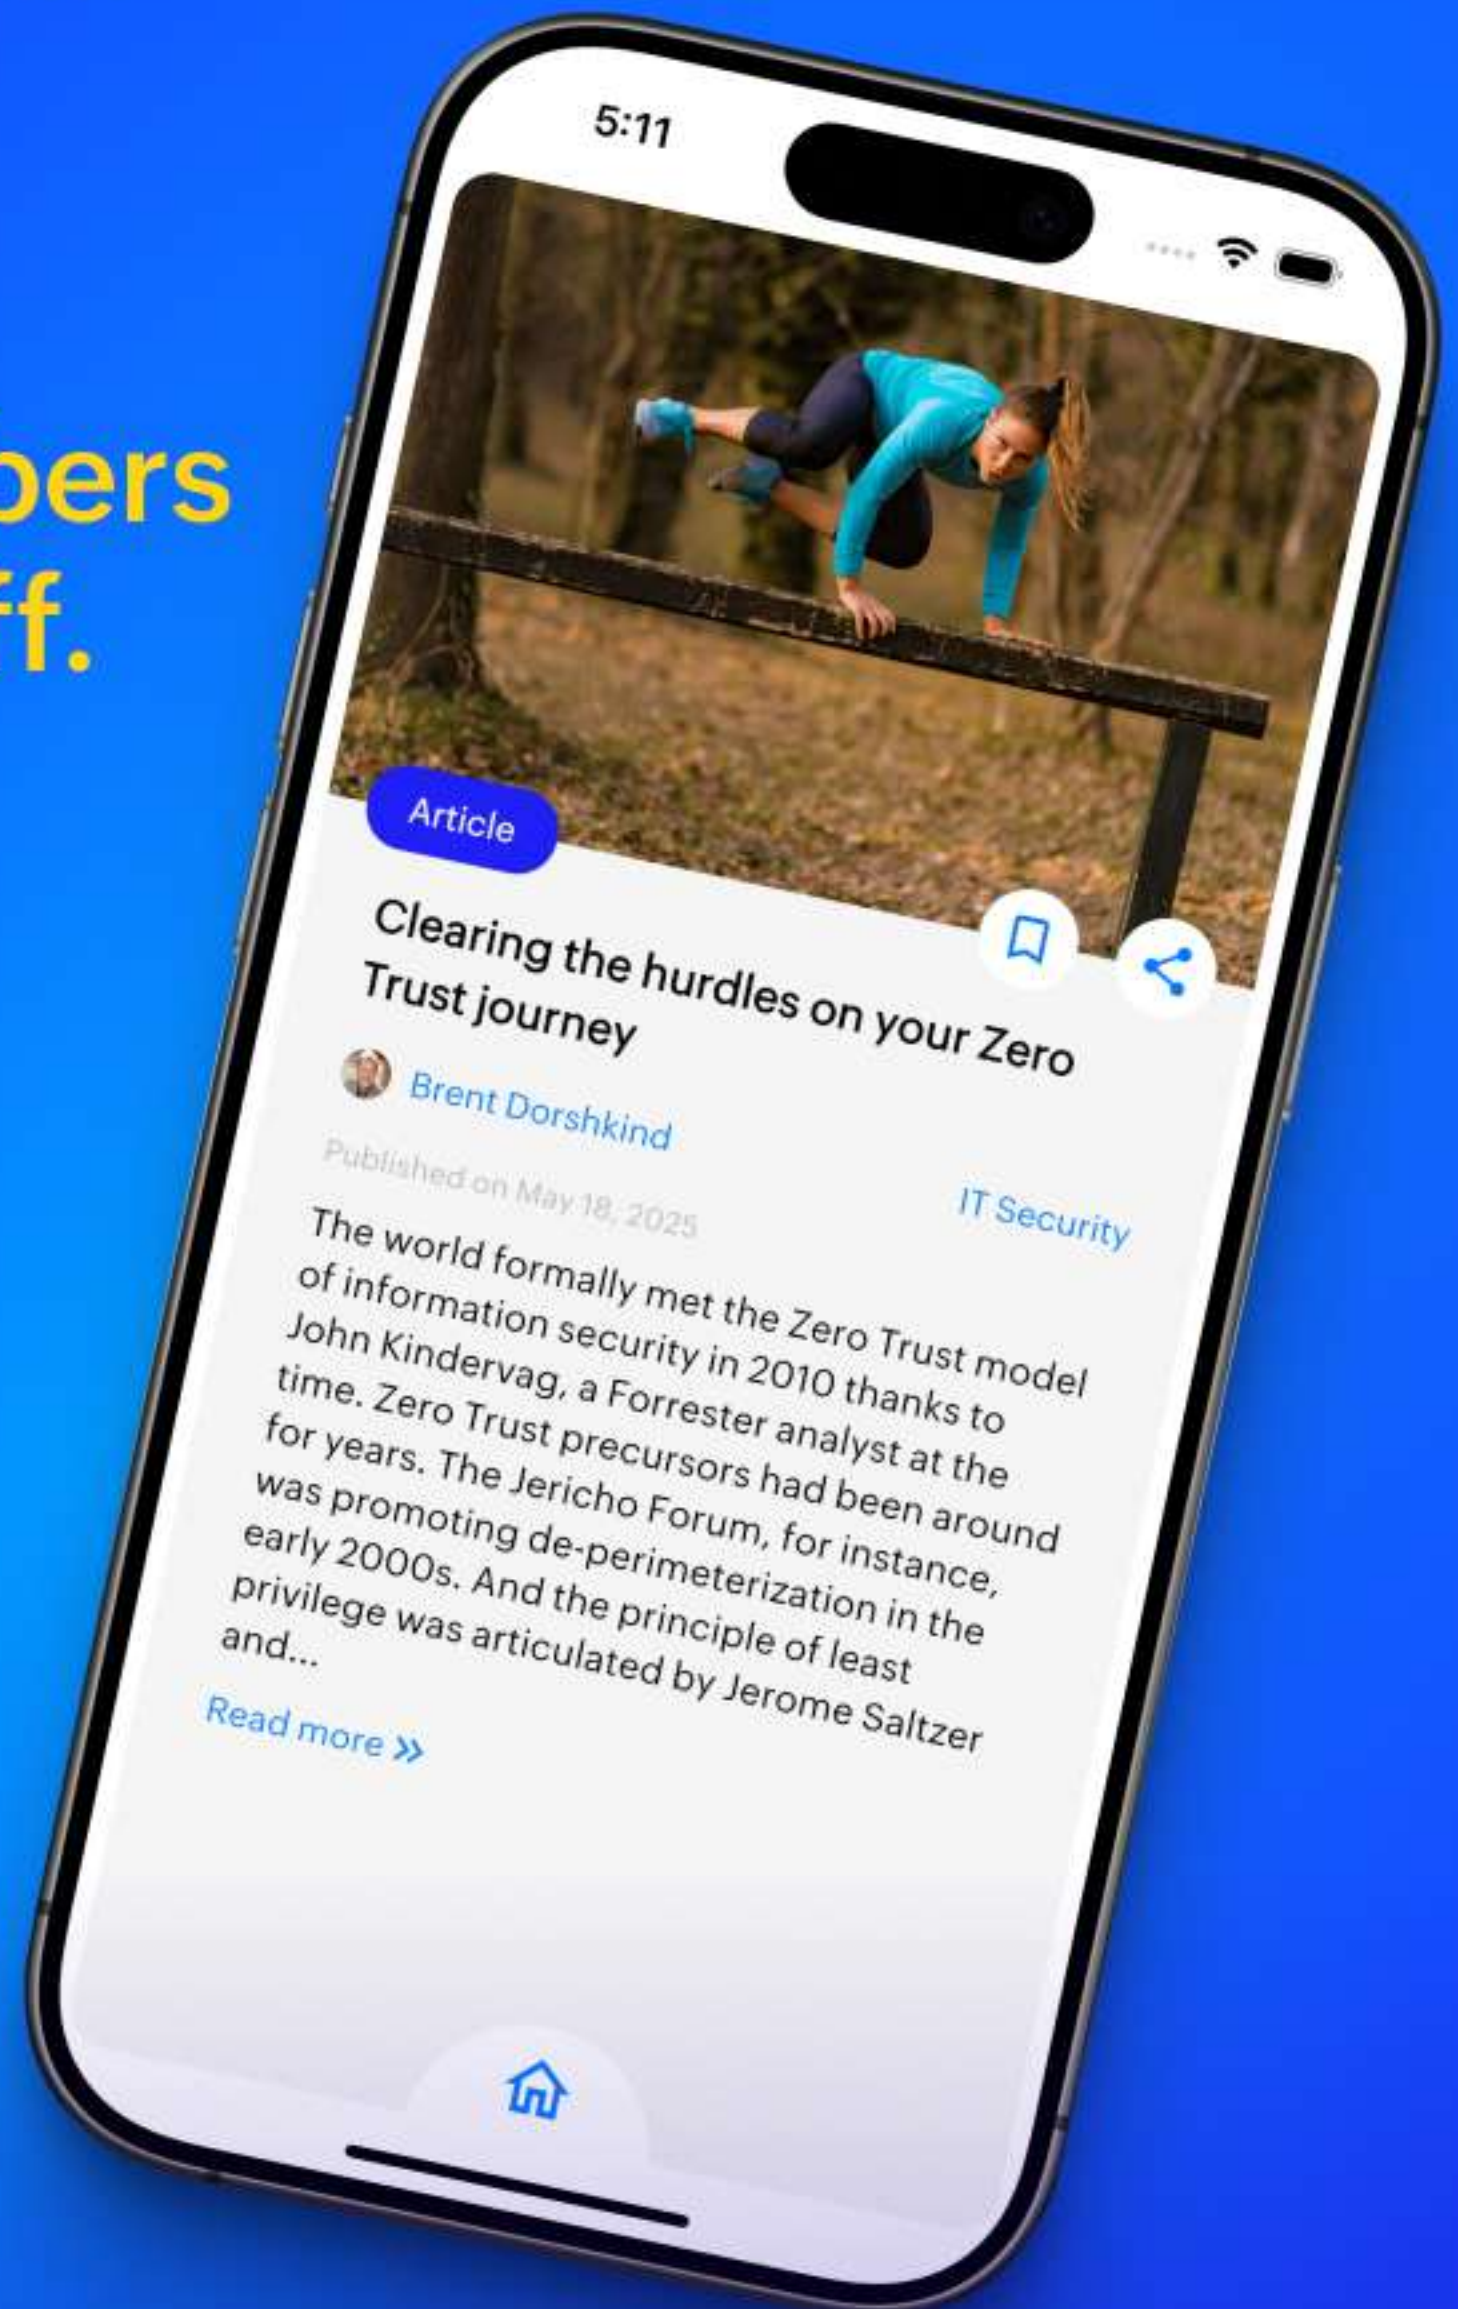

| A fresh UI

Switch topics. Podcasts, videos, and more. No reload needed.

| Smarter tabs

Scroll past 5 articles? Don't worry. It remembers where you left off.

ManageEngine  | Insights

Update it now and experience
tech magic at its finest.
