Zoom AI Companion created more impactful sessions.

“With Zoom AI Companion, we recognized that this was a tool that we wanted to be much more integrated into the educational experience. So we asked ourselves, what would it look like to let tutors and learners be able to use it directly in their tutoring sessions? That was certainly a first.”

– Matt Wu

**President and COO
Schoolhouse.world**

Zoom API helped:

- **Build a seamless, integrated experience.**
- **Schedule meetings & register learners automatically.**

**No digital help
desk needed.**

**Zoom Phone helps a fully remote
team stay connected.**

**Education & connection
go hand in hand. 🤝**
